RGB Statement on the Rayon Sports Association,

25 November 2025

Pursuant to *Law N°56/2016 OF 16/12/2016 establishing the Rwanda Governance Board and determining its mission, organisation and functioning* and *Law n° 058/2024 of 20/06/2024 governing non-governmental organisations*, the Rwanda Governance Board (RGB) convened a meeting with the leadership of Rayon Sports Association on 25 November 2025 to address persistent governance challenges affecting the club's performance, stability, and contribution to national sports development.

Following a thorough review of the situation, the meeting resolved to suspend all existing governance organs of Rayon Sports Association, including the Board of Directors, the Executive Committee, the Audit Committee, and the Conflict Resolution Committee. - Assess and restructure the governance organs and define their respective functions;
- Oversee the conduct of an external audit of the organization;
- Safeguard the unity and integrity of Rayon Sports throughout the transition period;
- Oversee both strategic and operational functions of the organisation for a three-month tenure.

The members of the Interim Committee are:

1. Mr. Murenzi Abdallah, Leader of the Interim Committee
2. Me. Jean Bosco Nubumwe
3. Madam Jose Akayezu
4. Mr. Gakwaya Olivier
5. Mr. Nsabyimana Batiste

RGB reaffirms its commitment to supporting Rayon Sports in the implementation of these reforms to ensure that the club operates sustainably, professionally, and in full alignment with the law and national governance standards. These measures represent an important step toward restoring stability and strengthening Rayon Sports Association.
